

Hair Donation Guidelines

Hair loss is a life changing experience. At **Hair We Share**, our goal is to make a positive difference in the lives of those suffering from hair loss due to medical conditions. Hair We Share relies solely on donations, in the form of real-hair ponytails and monetary contributions. With these donations we provide quality hair solutions at no cost to many men, women and children throughout the USA.

Hair We Share is committed to changing lives.

1. Clean, shampoo, and/or condition hair, without any styling, hairspray, or additional hair products. Hair must be clean and dry.
2. Gather hair at the nape of the neck.
3. Create a ponytail with an elastic band. Make sure the band is tight around the hair to keep the hair together after cutting. If it comes out of the band, it won't be included in the donation. A second hair band can be placed around the middle of the ponytail to keep the hair together.
 - If hair is curly, please leave curls intact.
 - Do not braid the hair.
4. Measure the length of the ponytail from the elastic band to the tips, making sure it's at least 8 inches long. The longer the better!
 - Donations shorter than 8 inches will not be used, because this is too short for making a wig. There is no maximum length requirement.
5. Cut the hair 1 inch above the elastic band so that the elastic band remains on the ponytail after cutting and keeps cut hair together. Do not wash or style the ponytail in any way after it has been cut off.
6. Place the ponytail, kept intact with the elastic band, in a zipper-lock bag and seal tightly. Please ensure that the ponytail is completely dry before sending.
7. Place the plastic bag with the ponytail in a padded or plastic envelope and send to:
